

# i-DAT:

\* An Open Research Lab for playful experimentation with creative technology:

> i-DAT is a vertex in an international network of researchers and practitioners and host to a community of PhD students and artists.

## FULLDOME UK 2012

 henriettaknight

 Projects

 16/11/2012

16-17/11/12. Friday 16 & Saturday 17 November 2012. National Space Centre, Leicester.

**FULLDOME UK** 2012 consist of new commissions, discussions, installations and performances events designed to showcase and support new ‘Fulldome art’ created by artists in the UK alongside key international guests. It is a unique event developing, supporting and promoting this emergent art form as well as creating a forum for British Fulldome artists, programmers and researchers to share their ideas through screenings, discussions and presentations.
